General Information.

Please read carefully before ordering.

—ORDER EARLY.—

Early Orders are solicited to prevent disappointment in case the variety selected should be sold out. The stock of most varieties is still very limited, and all orders are accepted subject to sufficient crop and prior sale.

—OVERSEAS ORDERS.—

To import our Gladiolus into the United States of America or Canada, special permit is required. Please send with your order, Mailing Tags for the U.S.A. and the White Labels for Canada.

—SHIPPING TIME.—

Our Bulbs are ready for shipment from April onwards, and we prefer to ship Bulbs by Parcel post.

—TERMS.—

Cash should accompany orders except in case of regular customer. We pay postage on all orders of 20/- and over. To smaller orders the following amounts for postage should be added:— Interstate 1/6 per dozen; Victoria 1/- per dozen. Postal concession applies only to retail orders.

Every precaution is taken to ensure correct naming of all Corms sent out by us. We are anxious to satisfy all our Customers, and trust should any mistake occur, we will be given the opportunity of rectifying it.

The letter “s” attached to some varieties indicates that smaller Corms are available at lower prices. The letter “a” indicates Australian Raised Varieties.

Varieties Raised in Ballarat

— Victoria, Australia. —

AMETHYST.—Large flowers, good form. Color a distinct shade of Lilac Rose, deep rose bordering, and a white centre line on each petal. Highly recommended. 1/6; s. 9d.

BETTY RONALDSON.—Sturdy growth. Color pale lemon, splashed and overlaid with bright pink. Highly decorative. Six to eight flowers opened at once. Award of Merit, Ballarat. 5/-

DAVID.—A very strong growing variety, carrying from eight to ten well formed flowers. Warm cherry red, cream tongue, edged deep mauve, dark feathering in throat. Well faced spike of exhibition type. 5/-; s. 3/-

BILL SOWDEN.—(Raised in South Australia.) Having blooms of immense size and wonderful substance, color vivid crimson scarlet, sometimes flecked a darker shade on the edges of petals. The brilliancy of color and fine exhibition form will create a demand for this Gladioli when better know. F.C.C. Ballarat. 10/- s. 6/-

GOLDEN WEDDING.—Color bright lemon, self and a welcome addition to a color shade rather poorly filled at present. Award of Merit Ballarat. 5/-

HUNTSMAN.—Color bright scarlet, white blotch on lower petals, feathered with deep red. Long straight spikes, showing ten blooms. Fine exhibition variety. Award of Merit Ballarat 10/-; s. 6/-

Varieties Raised in Ballarat—Continued

IRIS PHILLIPS.—A very beautiful lavender, slightly flaked on outer edges with a darker shade. Faintly pencilled purple in the throat. A fine exhibition spike, showing ten to fourteen flowers at once. 7/6; s. 4/-

MRS. CLENDINNEN.—Outer part of the flower cream, flushed shell pink, large wine-red blotch. Exhibition type showing eight to ten well formed flowers. Award of Merit Ballarat. 2/6; s. 1/6

MRS. GEO. WHITE.—Beautiful long spike of a dark rose pink shade with wine red throat markings. Eight to ten blooms open at one time. Exhibition type. 2/6 s. 1/6

NOEL L. REEVE.—The color of this variety is somewhat changeable. Coming in Summer—a beautiful cerise pink slightly flaked. The inner portion of the flower being cream pencilled violet. In the Autumn the cream throat predominates, leaving the outer part of the flower a beautiful pale pink. Received F.C.C. Ballarat. Exhibition type and will give from 12 to 15 flowers, beautifully set on tall spike. See illustration. 7/6; s. 4/-

NEWINGTON.—Cream lightly flaked outer edges with rose pink, lower petals suffused lemon yellow, feathered with a darker rose pink. Tall strong spikes showing up to ten open flowers at once. Exhibition type. Award of Merit Ballarat. 5/-; s. 2/6

PRINCE CHARMING.—A beautiful apricot salmon. Large yellow blotch, flowers nicely arranged on tall spike showing from eight to ten flowers. Highly recommended. 5/-

RITA PHILLIPS.—Color apricot salmon, deep orange-flame feathering on lower petals, edged with white. A very dainty color combination. Spike is well faced, showing up to ten open blooms. Exhibition type. 7/6; s. 4/-

SUNNYSIDE.—A champion of champions, showing fifteen large, well formed flowers on a tall spike. The outer part of the flower is a beautiful cerise pink, slightly flaked a darker shade, the centre being pure white, which predominates as the flower expands. This variety is perfect in both color and spike. F.C.C. Ballarat as an exhibition variety. 15/- s. 7/6

SILVERSHEEN.—A magnificent spike of large flowers of a glowing salmon pink. A white tongue on lower petals, feathered wine red. The whole flower is overlaid with a silvery sheen, ten open flowers on a strong spike, make Silversheen a magnificent specimen. F.C.C. Ballarat Exhibition type 7/6; s. 4/-

Bill Sowden
First Class Certificate, Ballarat

(a) **SENTINEL.**—Warm salmon pink with darker feathering and crimson blotch in throat. A flower suitable for both exhibition and decorative purposes. 1/-

(a) **SYLVAN BELLE.**—Beautiful large flowers of a soft pink shade, flaked with a deeper pink. Good spike suitable for exhibition. 1/6; s. 1/-

VEILCHENBLAU.—Beautiful large flowers of violet blue. Strong spikes of good length. The best in this color. 2/-

Sunnyside
First Class Certificate, Ballarat

Primulinus Hybrids

The blooms of this section are smaller than those of the Gladioli, and are slightly hooded. Grandiflora Primulinus are larger Primulinus Hybrids, with less Hood and greater breadth of Floret. Both varieties are unsurpassed for their decorative value, coming in beautiful shades of salmon, pink, maize and intermediate shades, which make them ideal for artistic decoration.

ALICE TIPLADY.—A lovely variety of an attractive apricot shade. 6d. each. 4/- dozen.

ARLON.—A pleasing Salmon Color, reddish shading in centre. 6d. each. 4/- dozen

BUTTERBOY.—Large Flowers. Pale butter yellow, faint brown lines on deep primrose throat. 6d. each 4/- dozen

JEWELL.—A beautiful variety, delicate salmon pink, with a yellow blotch on the lower petals. 9d. each. 6/- dozen

MAIDEN'S BLUSH.—A beautiful delicate pink. A variety of lovely colorings. 6d. each. 4/- dozen

MISS NINE.—Yellow flushed orange. Good sized Flowers. 6d. each. 4/- dozen

MING TOY.—Large flowers of beautiful form and coloring. A combination of flesh, buff and maize tints, beautifully blended. 9d. each. 6/- dozen

ORANGE BRILLIANT.—A beautiful rich orange shade, highly recommended. 6d. each. 4/- dozen

SALMON BEAUTY.—Large flowers, deep Salmon in color, throat shaded yellow. 6d. each. 4/- dozen

SOUVENIR.—A beautiful rich deep yellow self. Highly recommended. 6d. each. 4/- dozen

LILAC WONDER.—Flowers large and gracefully placed on slender stems, color clear lilac. A very beautiful variety. 9d. each. 6/- dozen

TANGERINE.—Large flowers of a glowing orange apricot. Good strong spike. One of the best. 9d. each. 6/- dozen

WHITE BUTTERFLY.—A first class variety. All white with a soft cream white throat. A beautiful cut flower. 9d. each. 6/- dozen.
